

Today's Delight- The Keys

"I will give you the keys to the kingdom of heaven." Mathew 16:19a

Grasp it, let it roll through your heart and mind. If you are in a relationship with Christ the Lord, you too have been given keys to the kingdom of heaven. Your relationship with Christ the Lord opens many doors in the kingdom of heaven and gives you the same direct access that Jesus had to our heavenly Father. Take note that it is not just one key.

If your in pain mentally or physically; use your key to the Suite of healing. If you find yourself feeling lowly and insignificant; use your key to the suite of favor. If you find yourself nervous and overwhelmed about something; use your key to the Suite of peace. And so on. .

The Lord has provided a key/resource for every circumstance we face, sometimes we simply forget or are not aware of the access we have as children of God. His word is our manual and map to all the rooms in heaven. If your not using your manual, you may not be fully aware of what doors these keys open. Get into his word daily. Know what you have inherited and use it for the good and glory of God.
